1. Term. This Affiliation Agreement shall commence on July 1, 2018 and terminate on June 30, 2019.
2. Foundation Services and Support for the University.

(a) The Foundation will receive, hold, invest, manage, use, dispose of, and administer property and assets for the benefit of the University for the educational support activities that may be conducted by the University. All gifts, donations, bequests, private endowments, and private grants will be used in accordance with the wishes of the donors.

(b) The Foundation will provide fund raising management, account management, and public relations development services to the University. As agreed between the Foundation and the University System of Maryland Foundation, Inc. (the USMF), some services may be provided by the USMF on behalf of the Foundation.

(c) The Foundation anticipates spending at least Sixty Million Dollars (\$60,000,000) to support or for the benefit of the University during FY 2019, provided, however, that the exact amount will depend on the amount of funds raised and the earnings generated from endowment and other funds held by the Foundation or held for its account by the USMF. All required transfers will be completed by July 31, 2019. The Foundation shall provide the President with all required reports as detailed in the Board of Regents Policy on Affiliated Foundations (Policy IX-2.00).

(d) The Foundation affirms that it shall not engage in activities that conflict with Federal or Maryland laws, nor in activities which conflict with the role and mission of the University. The Vice President for University Relations shall determine questions pertaining to said role and mission.

3. University Services and Support for the Foundation.

(a) The University will provide sufficient space for the Foundation to conduct its affairs. In addition, the University will make available to the Foundation any of the personal property which belongs to the University, including data processing equipment, computers, typewriters, copy machines, telephones, filing cabinets, desks, chairs, and tables. This license is subject to the following conditions and limitations:

(a) The Foundation may grant non-exclusive sublicenses for the Marks for fund raising purposes with the prior written approval of the University. The Foundation may retain all royalties derived from sublicensing the Marks. Except with its express advance written approval:

ii. The term of any sublicense shall not be for a period exceeding the term of this Affiliation Agreement, which limitation will be made a part of each sublicense.

All sublicense agreements shall be made available for review by the University.

(b) This license shall be terminated if the Foundation shall fail to act in compliance with this Affiliation Agreement or with System policies on affiliated foundations, provided, however, that any such termination shall not affect a binding sublicense the Foundation has entered into with another entity until that sublicense has expired or otherwise terminated in accordance with the provisions thereof.

(c) The Foundation acknowledges that the University has heretofore made, and may during the term of this Affiliation Agreement enter into additional license arrangements

with third parties for use of its Marks, including exclusive license arrangements for limited purposes. The Foundation's use or sublicense of the Marks shall not infringe on these University license arrangements.

5. Contracts, Leases, Agreements, Sublicenses.

6. Foundation as Independent Entity.

The parties acknowledge that the Foundation is an independent legal entity and that it shall remain solely under the direction and control of its Board of Trustees.
